#### **Independent Auditor's Report**

To the Board of Directors Coronado Historical Association

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Coronado Historical Association, which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Coronado Historical Association as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Note 1 - Organization:**

Coronado Historical Association, Incorporated ("CHA"), a non-profit 501(c)(3) charitable organization, was founded in 1969 to help people understand and appreciate Coronado's unique history, art, architecture, and historical resources. CHA continually works towards these goals and brings the history of Coronado to the community. In our state-of-the-art archives, we are carefully preserving everything from 1880s newspapers to vintage garments and over 20,000 photographs. In our Museum, we bring Coronado's history to life through fascinating permanent exhibits and changing displays.

#### Mission

CHA's mission is to advance learning and stewardship in all by serving as Coronado's primary center for community history.

The following is a brief description of CHA's programs:

### **Museum Collections and Exhibits**

Coronado Historical Association offers the public an opportunity to learn about the history, people, and culture that make Coronado special, and for that purpose, it develops educational exhibits and programs. CHA's building houses three exhibition galleries, a lecture hall/classroom, a public research library, museum collections storage vault, Museum Store, Tent City Restaurant, and a Museum/Coronado Information Desk.

CHA has an extensive collection of local history objects and archives, including paintings, photographs, military items, textiles, and early Coronado documents. The collection is maintained under the care of the Curator of Collections and Executive Director/Curator and is held for research, education and public exhibition in furtherance of public service. As a matter of policy, proceeds from the sale of collection items are used for direct care of the collection or to acquire other items for the collection. CHA does not include either the cost or the value of its collection in the statement of financial position, nor does it recognize gifts of collection items as revenues in the statement of activities.

#### **Education and Outreach**

In support of its mission, CHA has a special focus on educational programs and outreach. In addition to a year-round schedule of public lectures and other thought-provoking programs for adults and youth, such as a Preservation Symposium every spring (co-presented with other leading Coronado organizations), CHA presents core curriculum aligned in-classroom programming in partnership with the Coronado Unified School District. CHA also promotes appreciation of historic landscapes through its the annual Coronado Historic Home Tour. Additionally, CHA awards the Going the Extra Mile (GEM) award to one property owner whose thoughtful efforts to preserve and restore, rather than replace existing homes, turns potential teardowns into local architectural GEMS. CHA's volunteer Docents lead historic walking tours around Coronado. The tours are offered four days a week. The tour explores downtown Coronado, Ocean Blvd, Star Park, the Hotel del Coronado, and other points of interest. CHA's commitment to education extends to training future professionals through robust high school, college, and graduate internship programs. CHA partners with Coronado High School and local universities to create opportunities for students to get hands-on experience conducting oral histories, developing exhibits, and cataloging collections.

#### **Note 2 - Significant Accounting Policies:**

### **Accounting Method**

The financial statements of CHA have been prepared on the accrual basis of accounting which is in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) and, accordingly, reflect all significant receivables, payables, and other liabilities.

### **Financial Statement Presentation**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes thereon are classified and reported as follows:

- Net Assets Without Donor Restrictions Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, a board-designated endowment.
- Net Assets With Donor Restrictions Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

#### **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Risks and Uncertainties**

CHA invests in various types of investment securities which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statement of financial position.

### **Note 2 - Significant Accounting Policies: (Continued)**

#### **Fair Value Measurements**

Fair value accounting standards define fair value, establish a framework for measuring fair value, outline a fair value hierarchy based on inputs used to measure fair value and enhance disclosure requirements for fair value measurements. The fair value hierarchy distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Level 1 or 2 of the hierarchy) and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).

- Level 1 inputs are quoted prices in active markets for identical investments that the investment manager has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the investment, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the investment.

CHA's statements of financial position includes the following financial instruments that are required to be measured at fair value on a recurring basis:

• Investments in mutual funds are considered Level 1 assets and are reported at fair value based on quoted prices in active markets for identical assets at the measurement date.

### **Inventory**

Inventory of retail store merchandise consist primarily of books, periodicals, and other gift items. Inventory is valued at the lower of average cost (first-in, first-out) or net realizable value.

### **Capitalization and Depreciation**

CHA capitalizes all expenditures in excess of \$1,500 for property and equipment at cost, while donations of property and equipment are recorded at their estimated fair values. Such donations are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restrictions. Absent donor stipulations regarding how those donated assets must be maintained, CHA reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. CHA reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

### **Note 2 - Significant Accounting Policies: (Continued)**

### **Capitalization and Depreciation (Continued)**

Property and equipment are depreciated using the straight-line method over the estimated useful asset lives as follows:

Leasehold improvements30 yearsOffice furniture and equipment5 - 7 yearsExhibit equipment and furniture5 years

Depreciation totaled \$64,319 and \$57,573 for the years ended June 30, 2019 and 2018, respectively.

Maintenance and repairs are charged to operations as incurred. Upon sale or disposition of property or equipment, the asset account is reduced by the cost and the accumulated depreciation account is reduced by the depreciation taken prior to the sale. Any resultant gain or loss is then recorded as income or expense.

#### **Collections**

In conformity with the practice followed by many museums, art and historic objects purchased by or donated to CHA are not capitalized in the statement of financial position. CHA's collection is made up of artifacts, photographs, records and remembrances of Coronado's past, that are held for exhibition and various other program activities. Each of the items is cataloged, preserved and cared for, and activities verifying their existence and assessing their condition are performed continuously. Purchased collection items are recorded as decreases in net assets without donor restrictions in the year in which the items are acquired, or in net assets with donor restrictions if the net assets used to purchase the items are restricted by the donor. Contributed collection items are excluded from the financial statements. Proceeds from deaccessions or insurance recoveries are reflected as increases in the appropriate net asset classes.

### **Compensated Absences**

Accumulated unpaid vacation totaling \$9,209 and \$7,153 at June 30, 2019 and 2018, respectively, is accrued when incurred and included in payroll and related liabilities payable.

#### **Revenue Recognition**

Contributions are recognized when the donor makes a promise to give to CHA that is in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. Contributions to be received in future periods are discounted at an appropriate discount rate. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions.

### **Note 2 - Significant Accounting Policies: (Continued)**

#### **Donated Materials and Services**

CHA utilizes the services of many volunteers throughout the year. This contribution of services by the volunteers is not recognized in the financial statements unless the services received (a) create or enhance nonfinancial assets or (b) require specialized skills which are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. The donated services totaled \$-0- and \$12,079 for the years ended June 30, 2019 and 2018, respectively.

CHA received donated supplies and materials. The donated supplies and materials have been recorded at fair value and totaled \$-0- and \$2,836 for the year ended June 30, 2019 and 2018, respectively.

CHA leased property at below market rates. The in-kind rent totaled \$109,390 and \$-0- for the years ended June 30, 2019 and 2018, respectively, and has been recorded as contribution revenue and buildings and grounds expense. (Note 10)

### **Functional Allocation of Expenses**

The statements of functional expenses present expenses by function and natural classification. CHA allocates its expenses on a functional basis among its various programs and supporting services. Expenditures which can be identified with a specific program or support services are allocated directly, according to their natural expenditure classification. Costs that are common to several functions are allocated among the program and supporting services on the basis of time records, space utilized, and estimates made by CHA's management.

#### **Income Taxes**

CHA is a public charity and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code, except on net income derived from unrelated business activities. CHA's unrelated business activity did not generate taxable income and no tax liability has been recorded at June 30, 2019 and 2018. CHA believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. CHA is not a private foundation.

CHA's Return of Organization Exempt from Income Tax and Exempt Organization Business Income Tax Returns for Tax for the years ended June 30, 2019, 2018, 2017, 2016 and 2015 are subject to examination by Internal Revenue Service and State taxing authorities, generally three to four years after the returns were filed.

### **Concentration of Credit Risk**

CHA maintains its cash in bank accounts and brokerage accounts which, at times, may exceed federally insured limits. CHA has not experienced any losses in such accounts. CHA believes it is not exposed to any significant credit risk on cash and cash equivalents.

#### Cash and Cash Equivalents

For purposes of the statements of cash flows, CHA considers all highly liquid investment instruments purchased with a maturity of three months or less to be cash equivalents.

### **Accounting Pronouncements Adopted**

In August 2016, the FASB issued ASU 2016-14, "Presentation of Financial Statements of Not-for-Profit Entities" (Topic 958). The ASU amends the current reporting model for nonprofit organizations and enhances their required disclosures. The major changes that affected CHA's financial statements include: (a) requiring the presentation of only two classes of net assets now entitled "net assets without donor restrictions" and "net assets with donor restrictions", (b) modifying the presentation of underwater endowment funds and related disclosures, (c) requiring that all nonprofits present an analysis of expenses by function and nature in either the statement of activities, a separate statement, or in the notes and disclose a summary of the allocation methods used to allocate costs, (d) requiring the disclosure of quantitative and qualitative information regarding liquidity and availability of resources, (e) modifying other financial statement reporting requirements and disclosures intended to increase the usefulness of nonprofit financial statements. CHA has adopted this ASU as of and for the year ended

June 30, 2019.

In June 2018, the FASB issued ASU 2018-08, Not-for-Profit Entities (Topic 958), Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. The ASU clarifies and improves guidance for contributions received and contributions made and provides guidance to organizations on how to account for certain exchange transactions. This change is preferable in that it clarifies whether to account for transactions as contributions or as exchange transactions. In addition, it clarifies whether a contribution is conditional. As a result, it enhances comparability of financial information among not-for-profit entities. The change in accounting principle was adopted on a modified prospective basis in 2019. As a result, there was no cumulative-effect adjustment to opening net assets without donor restrictions or opening net assets with donor restrictions as of July 1, 2018. There was no effect of adopting the new accounting principles on contributions in 2019.

## **Subsequent Events**

In preparing these financial statements, CHA has evaluated subsequent events for potential recognition or disclosure through December 4, 2019, the date the financial statements were available to be issued and concluded that there were no events or transactions that needed to be disclosed.

#### **Note 3 - Liquidity and Availability**

CHA regularly monitors the availability of resources required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. CHA considers investment income without donor restrictions, appropriated earnings from donor-restricted and board-designated endowments, contributions without donor restrictions and contributions with donor restrictions for use in current programs which are ongoing, major, and central to its annual operations to be available to meet cash needs for general expenditures. For purposes of analyzing resources available to meet general expenditures over a 12-month period, CHA considers all expenditures related to its ongoing activities as well as the conduct of services undertaken to support those activities to be general expenditures.

The table below presents financial assets available for general expenditures within one year at June 30, 2019:

| Cash and cash equivalents   | \$<br>1,230  |
|---|--------------|
| Contributions receivable  | 6,476        |
| Appropriation of board-designated endowment and endowment earnings      | <br>40,000   |
| Financial assets available to meet general expenditures within one year | \$<br>47,706 |

In addition to financial assets available to meet general expenditures over the next 12 months, CHA operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures.

CHA's governing board has designated a portion of its unrestricted resources for endowment purposes. These funds are invested for long-term appreciation and current income but remain available and may be spent at the discretion of the Board of Directors. Appropriations of board-designated endowment fund earnings are made in accordance with the spending policy as described in Note 9.

Endowment funds consist of donor-restricted endowments. Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. Appropriations of endowment fund earnings are made in accordance with the spending policy as described in Note 9. The portion of the donor-restricted endowment funds required to be held in perpetuity are not available for general expenditure.

#### **Note 9 - Endowment Net Assets:**

CHA's endowment consists of an individual fund. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence of donor-imposed restrictions.

CHA has interpreted the enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, CHA classifies donor restricted net assets of a perpetual nature as (1) the original value of gifts donated to the permanent endowment (2) the original value of subsequent gifts donated to the permanent endowment (3) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in donor-restricted net assets of a perpetual nature is classified as donor-restricted net assets with time restrictions until those amounts are appropriated for expenditure by CHA in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, CHA considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of CHA and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of CHA
- The investment policies of CHA

CHA considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. CHA has interpreted UPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. CHA has no underwater endowment funds at June 30, 2019 and 2018.

### Note 9 - Endowment Net Assets: (Continued)

CHA has adopted investment and spending policies for endowment funds that:

- Protect the invested assets
- Preserve spending capacity of the fund income
- Maintain a diversified portfolio of assets that meet investment return objectives while keeping risk at a moderate level
- Comply with applicable laws

CHA's endowment funds are invested in a diversified portfolio of mutual funds that are structured to satisfy its long-term rate-of-return objectives. CHA relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends).

CHA's endowment funds are invested in a diversified portfolio of equity and debt securities, which is structured for long-term total return. CHA's spending policy is to spend 5%.

## Note 10 - Lease Commitment, Building Purchase Option, & Gift:

In December 2017, CHA executed a lease amendment (the "Lease Amendment") amending its lease of the Coronado Bank and Commerce building (the "Building") and the real property on which the Building is situated (the "Land") from a limited liability company (the "Landlord") which is wholly owned by Don and Leslie Budinger. The base rent paid by CHA totaled \$304,928 and \$298,952 at June 30, 2019 and 2018, respectively.

The Lease Amendment extends the term of CHA's lease of the Building and the Land from January 1, 2020 through December 31, 2029, at the fixed annual base rent previously agreed upon by CHA and the Landlord, including increases in the base rent at the rate of 2% per year, and requires CHA to continue to pay its pro rata share of operating expenses in addition to the base rent each month. The method of calculating CHA's base rent was not changed by the Lease Amendment, but several minor changes were made to the timing and payment of operating expenses to reflect changes previously adopted by the Landlord and CHA which had never been formalized.

The following is a schedule of future minimum payments of base rent required under the Lease Amendment during CHA's upcoming fiscal years:

| Years Ended June 30 | <br>Base Rent   |
|---------------------|-----------------|
| 2020                | \$<br>311,025   |
| 2021                | 317,244         |
| 2022                | 323,592         |
| 2023                | 333,066         |
| 2024                | 336,672         |
| Thereafter          | 1,974,828       |
| Total               | \$<br>3,593,427 |

#### Note 10 - Lease Commitment, Building Purchase Option, & Gift: (Continued)

It is important to note that an independent appraisal obtained by CHA in 2017 (the "Appraisal") shows that the rent agreed to be paid by CHA under the Lease Amendment is less than the current market rate. Therefore, the Lease Amendment also represents a gift to CHA from the Budingers to the extent of the difference between the agreed rent and the current market rate. The in-kind rent totaled \$109,390 and \$-0-for the years ended June 30, 2019 and 2018, respectively.

The rent paid by CHA is also partially offset by rental income received by CHA from subleases of portions of the building to tenants under sublease agreements. Rental income from those subleases totaled \$59,870 and \$57,791 for the years ended June 30, 2019 and 2018, respectively, and has been recorded as a reduction in rent expense. CHA bills a pro rata share of operating expense to certain tenants each month.

The Lease Amendment also provides for CHA to hold an option (the "Option") to cause the Landlord to transfer title of the Building and the Land to CHA at any time on or after January 1, 2019 by payment to the Landlord of a cash amount shown on a schedule attached as Exhibit B to the Lease Amendment. In the event the Option is exercised, the Lease Amendment requires CHA to lease back to the seller a portion of the office space in the Building which is now used by Don Budinger as described in the Lease Amendment.

It is contemplated by both the Budingers and CHA that the Budingers will cause the Landlord to complete the gifting of the Building and the Land to CHA by 2029. However, if circumstances should arise which would make it desirable for CHA to accelerate completion of the Budingers' gift, the Lease Amendment ensures that CHA has a path to receive title to the Building and the Land through the exercise of the Option.

Using the values shown in the 2017 Appraisal, the exercise of the Option will cause the amount of the gift bestowed by the Budingers on CHA to range from a gift of at least \$5,000,000 (if title is transferred by the exercise of the Option in 2019) to at least \$7,450,000 (if title is transferred by exercise of the Option in 2029). However, if the gift is accelerated by CHA's exercise of the Option, the exact amount of the gift will likely be larger as it will be the difference between the value of the Building and the Land at that time of exercise of the Option (which will likely be higher than shown in the 2017 Appraisal) and the payment required to be made by CHA to the Landlord as shown on the following schedule which is attached as Exhibit B to the Lease Amendment:

| Year of Exercise of the Option | Payment by CHA |
|--------------------------------|----------------|
| 2020                           | \$ 2,500,000   |
| 2020                           | 2,250,000      |
| 2022                           | 2,000,000      |
| 2023                           | 1,750,000      |
| 2024                           | 1,500,000      |
| 2025                           | 1,250,000      |
| 2026                           | 1,000,000      |
| 2027                           | 750,000        |
